📍 Independence Layout, Enugu State, Nigeria. 🇳🇬 Nigerian

♀ Female

Profile

Highly motivated and versatile professional with extensive experience in architectural design, construction, and frontend development. Skilled in preparing precise architectural CAD drawings, interpreting complex technical specifications, and efficiently managing projects from conception to completion. Proficient in creating dynamic, responsive web applications using modern frontend technologies. Seeking a challenging position that fosters professional growth and leverages my diverse skill set in a collaborative environment.

Professional Experience

HNG Internship, Frontend Developer Intern

2024 – 2024

Enugu, Nigeria

As a Frontend Developer Intern, I contributed to the design and implementation of user-friendly web applications. My achievements include developing responsive interfaces using ReactJS, optimizing performance for faster load times, and collaborating with cross-functional teams to deliver high-quality projects. My proactive approach and quick learning capabilities enabled me to significantly improve the user experience and functionality of key features.

Pointline Konsult, Architect

2019 – 2024

Enugu, Nigeria

As an architect, I led the design and execution of multiple residential and commercial projects, ensuring compliance with technical specifications and building codes. I prepared detailed CAD drawings, coordinated with stakeholders, and managed project timelines and budgets. My achievements include successfully delivering complex projects on time and within budget, enhancing client satisfaction, and implementing innovative design solutions that improved project efficiency and sustainability.

Works Department, Abua-Odual Local Government Council,

2018 – 2019

Graduate Architect

Rivers, Nigeria

As a Graduate Architect, I played a key role in preparing detailed architectural CAD drawings, collaborating with senior architects and engineers, and ensuring compliance with building codes and regulations. I successfully contributed to the design and execution of multiple projects, enhancing my technical and project management skills while meeting tight deadlines and exceeding client expectations.

A-Visuals and Associates, Architectural Intern

As an architecture intern, I assisted in the design and development of architectural projects, prepared detailed CAD drawings, and collaborated with senior architects to ensure compliance with technical specifications and building codes. I successfully contributed to the completion of multiple residential and commercial projects, enhancing my understanding of project management and architectural principles.
